

FROM THE HEATH ROOM

Please be aware that an adult must transport medications to and from school. An adult must pick up medications at the end of the school year. See FCPS Medication Administration Regulation 400-23 on the FCPS.org website. This includes all prescription and non-prescription medications that you have in the health room for your child. Any remaining medications left in the health room at the end of the school day (**3:30pm**) on June 15, 2007 **will be destroyed at that time.**
